

# Pakistan Embassy International Study Group

Ankara, Turkey

## School Profile

### Introduction

Pakistan Embassy International Study Group (PEISG) is a non-profit, semi-government, coeducational international School, established in Ankara, Turkey in 1965. It is a full English medium international School which offers University of Cambridge Programs starting from Preschool (age 4) until High School (year 12).

All the programs offered at PEISG are endorsed by and under the supervision off University of Cambridge Assessment International Examinations (CAIE), UK.

### Mission Statement

*“Our vision is to develop and sustain an educational environment, where all the students are able to utilize their maximum potential both individually and collectively. It is our aim to raise the children as decent individuals and create a society that has tolerant, industrious and useful men and women. Thus, the ethos of the Pakistan Embassy International Study Group (PEISG) is to promote inter-cultural awareness and ensure respect for diversity and responsibility towards the local and global community.”*

### Student Body, Faculty and Student-to-Teacher Ratio

Currently, there are approximately 360 students enrolled in the PEISG, from over 65 different nations all over the world, which makes it a truly international institution.

There are 39 faculty members, coming from over 10 different countries. About 38% of the faculty have advanced degrees. The faculty to student ratio is about 9.

### Curriculum & Medium of Instruction

PEISG offers the following programs at various stages:

Classes 1 to 6	Cambridge Primary Program
Glasses 7 & 8	Cambridge Secondary Checkpoint Program
Classes 9 and 10	Cambridge IGCSE Program
Classes 11 and 12	Cambridge International AS & A levels

Upon graduation our students receive Cambridge A-level diplomas which are recognized by universities all over the world.

With English as first and the main language of instruction, school also offers French, Turkish and Urdu as second languages.

### High School & Graduation requirements

PEISG offers a 4-year high school programme,

In order to be considered a high school graduate, a student must have successfully completed at least 5 IGCSE and 2 A level courses. On average, students take 6 IGCSE subjects and 3 A-level subjects.

Our students have a choice to choose from the following subjects in High school:

- Arts & Design
- Biology
- Business Studies
- Chemistry
- Economics
- English Language
- French
- History
- Information Technology
- Mathematics
- Music
- Physical Education
- Physics
- Sociology

### Examinations, Grading and Ranking

PEISG academic year is divided into three terms, students take a midterm and a final exam during each term. The mark distribution is as under:

Term I		Term II		Term III	
Midterm	Final	Midterm	Final	Midterm	Final
40	60	40	60	40	200

The class rank is calculated by comparing the sum of all examinations taken by a student each year. Rankings are exact and multiple students DO NOT share a rank. Marks are awarded as percentages (0-100%) and PEISG does not use the GPA system.

PEISG awards grade at the end of each year, the following system is used for grading:

100 – 90% : A+	89 – 80% : A	79 – 70% : B
69-60% : C	59 – 50% : B	Below 50% : U

### Further Schooling of Graduates

PEISG graduates have a 100% university enrolment rate, all of our graduates join institutions of high repute to pursue further education. Students generally prefer to join Engineering and Medicine departments. The distribution for the last 5 years is as under:

Medicine & Dentistry	Engineering	Business & Economics	Comp & Media	Intl. Rel. & Politics	Education	Psychology
23%	17%	17%	11%	9%	4%	4%
