Age Requirement: 15+

#### Admission guidelines for IGCSE Year 2/2 (Class 10)

1. Cambridge IGCSE is a TWO-YEAR programme, which begins in Class 9 and ends after class 10. Students take Cambridge IGCSE examinations at the end of class 10.
2. PEISG completes about 70% of the IGCSE syllabus in class 9, remaining syllabus is completed in class 10.
3. A student takes 6 subjects in IGCSE, the list of subjects is available in our website (Academics section).
4. In order to apply to class 10, a student must have completed year 1 of the Cambridge IGCSE program in another school. ***Students coming from any other school system CAN NOT apply to class 10, and must begin the IGCSE program in class 9.***
5. Student must take an entrance exam for **each** subject she / he opts for.
6. ***The entrance exam for class 10 will be based upon about first 50% of Cambridge IGCSE syllabus*** and past exams. Further information regarding the exam syllabus and sample question can be found on links given below.
